18th BORDERWAY AGRI EXPO

What a year it's been! Twelve months have passed in a flash — a mild winter rolled into an early spring, followed by a hot, dry summer (too dry for some!), and now here we are already at Borderway Agri Expo 2025. How did that happen?

The past year has seen a buoyant livestock trade, with many enjoying the strongest commercial prices in recent memory. However, a subdued global market for feed commodities has brought challenges for others. The change in government sent further ripples through the sector, with new and controversial inheritance tax reforms forcing many family farms to think seriously about the future of their businesses.

I'm delighted to once again welcome you to a fantastic show — Borderway Agri Expo 2025 — showcasing the very best of British livestock. This year's event brings together the crème de la crème of commercial cattle, sheep and pedigree calves, judged by four highly respected experts:

- Berwyn Hughes (Wales) – Baby Beef & Young Handlers
- Gavin Scott (Scotland) – Main Cattle Classes
- Andrew Mutch (England) – Main Sheep Section
- Graham Loughery (Northern Ireland) – Mule Classes

Beyond the livestock, we're proud to host over 120 trade stands highlighting the latest in innovation, products, and technology – there's truly something for everyone. Our sincere thanks go to all our exhibitors and sponsors, without whom an event of this scale simply wouldn't be possible. A special word of appreciation goes to our long-standing major sponsors, Carrs Billington and Lloyds Bank, for their continued and valued support.

This year, our team has curated the strongest seminar and debate programme to date;

At 10:30am, H&H Land & Estates presents The Big Debate: "Do farm subsidies cause more harm than good?" with Northumberland farmer Pip Robson going head-to-head with Tim Farron MP, Liberal Democrat for Westmorland & Lonsdale.

At 12:30pm, Scott Donaldson, H&H Group Director, will chair a thought-provoking seminar: "Hungry Land, Hungry People – Can We Feed the Future?" featuring Robbie Moore MP, Daniel Zeichner MP, Nicola Renison, Dr Julia Aglionby, and Sion Williams. Both sessions take place in Ring 4 — not to be missed!

We're also thrilled to welcome our neighbours, Pioneer Foodstore, as new exhibitors this year. They'll be showcasing a range of their exceptional local suppliers, offering free samples and exclusive show-day offers. Don't miss their Butchery Masterclass at 2:30pm in the Sheep Ring, where Pioneer's Butchery Manager John will join our own Grant Anderson to demonstrate what makes the Pioneer supply chain.

Finally, and most importantly, I would like to personally thank our incredible H&H team. The dedication, long hours, and hard work that go into making this event run seamlessly — before, during, and after the show — never go unnoticed. We are truly grateful.

So, welcome to the UK's biggest and best autumn livestock showcase — the place where the farming community meets, competes, and celebrates the very best of British agriculture.

Enjoy the show!

'Farm Subsidies Cause More Harm Than Good'

This year's Borderway Agri Expo dives into one of farming's biggest questions: "Do farm subsidies cause more harm than good?" As costs rise and sustainability challenges grow, this lively debate will spark fresh thinking about the future of British agriculture.

JUDGES FOR BORDERWAY AGRI-EXPO 2025

BABY BEEF CLASSES

BERWYN HUGHES

Judging the Baby Beef section at this year's Borderway Agri Expo is Berwyn Hughes, from Cwmhendryd near Lampeter. Farming 260 acres alongside his wife Elin and three sons, Berwyn runs a herd of 90 Limousin/British Blue cross suckler cows, along with pedigree flocks of Blue Texels and Poll Dorsets.

Well-known on the UK show circuit, Berwyn has both shown and judged extensively at top-tier events including the Balmoral Show, Anglesey Show, and the Welsh Winter Fair. His own show successes include Champion Heifer and Steer titles, and most recently, Champion Baby Beef Calf in 2023.

This will be Berwyn's first time judging at Agri Expo, and he shared his excitement ahead of the event: "It's absolutely fantastic to be recognised and invited to judge at what is arguably the best winter show in the country. I'll be looking for a smart, showy calf that is very correct, with great legs, natural top and width behind, the kind of animal that catches your eye and fits today's beef trade."

BRITISH BLUE CLASSES

IAIN MACINNES

Iain farms a commercial herd of suckler cows and the Ruaig Herd, a herd of Pedigree British Blue cattle, established in 1988 on the beautiful island of Tiree. Known for its strong lineage of top-performing cows and bulls, the herd has built a reputation for producing successful show animals and high-quality breeding stock.

Iain is no stranger to Borderway, regularly selling cattle at the British Blue May Sales. In 2022, he secured an impressive £12,000 for first-prize winner Ruaig Powerhouse. He has judged widely across Scotland and is now looking forward to heading south to make his mark in Carlisle.

Delighted to be invited to this year's event, Iain will be looking for "a modern, very correct animal with an extra bit of flash and style."

MAIN BEEF CATTLE CLASSES

GAVIN SCOTT

Judging this year's main beef cattle classes is Gavin Scott, a highly respected figure on the UK livestock show circuit. Gavin farms 415 acres at Gateside Farm in West Lothian alongside his wife Janet and daughters Lynsey and Gillian. The family enterprise runs over 80 cross-bred breeding cows, all bulled to pedigree Limousin sires, as well as a select herd of pedigree British Blues.

Gavin brings a wealth of judging experience at both local and national levels. His achievements in the show ring are impressive, including twice winning the Scottish Winter Fair, three-time Reserve Supreme Champion at Smithfield in London, seven-time winner of the Butchers' Championship at the Scottish Winter Fair, and two-time Calf Champion with homebred cattle.

He has previously judged at many of the UK's most prestigious livestock events, including the Royal Welsh Show, the Great Yorkshire Show, the Royal Ulster Beef and Lamb Championships, and both the East of England and London Smithfield Shows.

A familiar face at Borderway Agri Expo, Gavin has exhibited both pedigree and commercial cattle at the event. Looking ahead to this year's show, he commented: "This is one of the major autumn shows of the year – a terrific showcase of cattle. I'm hugely honoured to be asked to judge. The standard is always exceptionally high, which makes it a real challenge. I'll be looking for an animal that stands out as fit for the modern beef market – something with presence, correctness, and style. The first thing I notice is the head and legs, followed by shape, cover, and how it handles."

SIMMENTAL CLASSES

JAMES GRIFFIN

James Griffin manages the Hemingford Herd of pedigree Simmental cattle in partnership with his wife Rachael on their farm near Huntingdon, Cambridgeshire. Established in 2007, the herd now comprises around 20 high-health pedigree cows and is built on a strong focus on performance, breed character, and welfare.

Together, James and Rachael, a veterinary surgeon, have developed a highly respected herd that continues to make its mark in the breed. In early 2025, their bull Hemingford Prince Charming set a new UK and European Simmental record when he sold for 56,000 guineas at Stirling.

Attending Agri Expo for the first time, James says, "It's a huge honour to be invited to judge such an important calf show. This is my first judging role at such a prestigious event, and I'm really looking forward to seeing the quality young animals. They highlight the future of the breed – and that future looks incredibly exciting."

ABERDEEN ANGUS CLASSES

ROB BISHOP

Rob Bishop runs the Warrenho Herd, a renowned pedigree Aberdeen Angus herd based in Reading, Berkshire. With a strong emphasis on functional, fertile females and structurally correct breeding bulls, the herd has enjoyed consistent success. The herd has enjoyed many noted successes including the breed Championship at the last Royal Show with Warrenho Dalmigavie and two Championships at

the Stirling bull Sales with Warrenho Jumbo Eric and Warrenho Elite.

Rob has judged on several occasions, including the Black Beauty Bonanza in Aberdeenshire, the Royal Welsh, and breed classes at Devon County Show, Royal Norfolk Show and Cheshire to name but a few.

Having exhibited at Agri Expo on several occasions and taken home rosettes, he is honoured to be invited to judge at this year's event, "I'm looking forward to seeing the next generation of stock destined for the 2026 show circuit, and in my judging I will be looking for functional females and bull calves with the potential to become future breeding sires."

MULE GIMMER LAMB CLASSES

GRAHAM LOUGHREY

Judging this year's fiercely contested Mule Gimmer Lamb Class at Borderway Agri Expo is Graham Loughrey, a highly respected breeder of Mules and pedigree Bluefaced Leicester sheep from Limavady, County Londonderry.

Farming alongside his father and wife in Northern Ireland's scenic Roe Valley, Graham runs a family enterprise of over 500 ewes, comprising Blackfaces,

Mules, and a pedigree flock of Temain Bluefaced Leicesters. In addition to his farming commitments, Graham is a full-time auctioneer at Ballymena Livestock Market—one of the busiest marts in the country.

Well known across the Irish Sea for his show ring success, Graham recently took home the Overall Champion title at Balmoral Show with a shearling Bluefaced Leicester ram. He is also a multiple winner in both the Mule and Bluefaced Leicester Progeny classes at the prestigious Antrim Progeny Show, the largest of its kind in Northern Ireland.

No stranger to the judging ring, Graham has officiated at shows and sales including Peebles Show and the renowned Hawes Tup Sale. While this will be his first time at Borderway Agri Expo, he is eager to take part, "It will be a challenging job choosing the winners from such an exceptional standard, but it's a real honour to be asked to judge this class. I've heard so much about Borderway Agri Expo over the years and I'm thoroughly looking forward to being part of it and taking in the full experience."

When asked what he'll be looking for in the winning pair, Graham was clear, "Good, clean colours, very correct lambs with good skins and plenty of character."

SHEEP CLASSES

ANDREW MUTCH

Taking on the sheep classes at this year's Borderway Agri Expo is Andrew Mutch, a well-known figure in the meat and livestock world. A former butcher and sheep producer, Andrew spent over 40 years running Mutch Meats in Witney, Oxfordshire – a business that famously supplied meat to Jeremy Clarkson's Diddly Squat Farm.

Now semi-retired, Andrew farms near Malvern, where he manages a pedigree flock of 50 Beltex ewes and followers under the "GUS" prefix. Established just eight years ago, the flock has quickly earned a strong reputation, with recent accolades including Reserve Champion at the prestigious Three Counties Show.

Andrew brings a wealth of judging experience, having officiated at both national and regional levels. His judging résumé includes the Royal Smithfield Show at Earls Court, the Welsh Winter Fair, and numerous local shows and livestock markets.

A familiar face at Borderway from his days as a regular buyer, Andrew is looking forward to returning in a new role: "It's great to be invited and to dip my toes back into the industry from the judging ring. In judging the sheep, I'll be looking for that butcher's conformation – something that shows real potential for the meat market."

BEEF SHORTHORN CLASSES

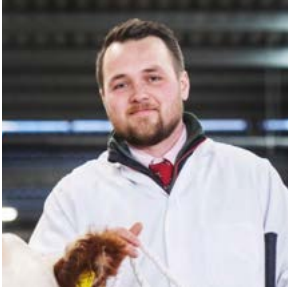

ALICE HAIGH

Alice Haigh manages the Balquhadly Herd of Beef Shorthorns in partnership with her father on their mixed arable and beef farm near Brechin, Angus, Scotland. Established in 2006, the herd now comprises 10 pedigree cows with stock grazing up to 900 feet year-round.

The Balquhadly Herd has enjoyed notable successes since it was established and so far this year is has secured two championships at the Stirling Bull Sales with homebred bulls, and Reserve Junior Female Champion at the Royal Highland Show with Balquhadly Wineberry V511. The herd also won Reserve Breed Champion at the Royal Highland Show in 2023 with Willingham Spitfire – the herd prefix was Willingham before the move and subsequent change to Balquhadly.

Having previously attended Borderway and Agri Expo, this year's event will mark Alice's first major judging appointment, "It is an honour to be asked and I'm looking forward to it enormously."

In the ring, Alice is looking for cattle with presence and natural quality, something that catches the eye immediately. Her approach is instinctive: when she sees it, she knows.

HEREFORD CLASSES

JOE CLARK

Joe Clark, owner of the Gallowscourt Herd, has been stockman at the renowned Rempstone Herefords in Thame, Oxfordshire, for over eight years. The farm runs 45 pedigree Hereford cows alongside a small flock of pedigree Suffolk sheep. Following Rempstone's success as Overall Champion and Reserve at the 2022 breed sale, Joe was gifted the pick of the heifer calves, marking the

beginning of his own pedigree breeding journey.

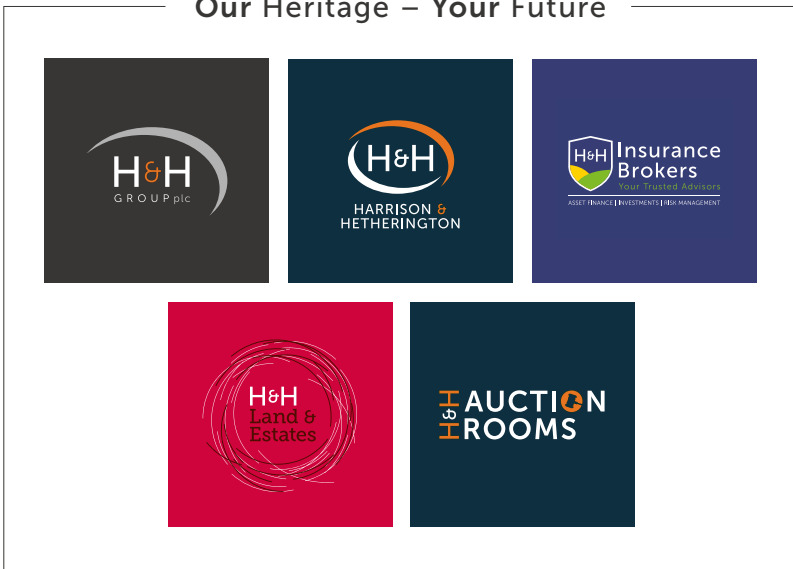

Joe's Gallowscourt Herd debuted in April 2025 with a major success. His heifer, Gallowscourt 1 Duchess W728, won her class and was named Reserve Female Champion at the Hereford Cattle Society's Spring Show & Sale, selling for 4,000 guineas.

Joe has judged at the Royal Cornwall and various local shows and is no stranger to Borderway. The last time he showed cattle at Agri Expo Rempstone 1 Curly N604 from MJ Ludgate took supreme, grand female, and junior female champion in the Hereford section.

"I have experienced the excitement of Agri Expo and am thrilled to be invited to judge, it's a real honour for young breeders like myself."

In making his choices at this year's show he is looking for bull calves with all the attributes of making a stock bull and females which will make good breeding type heifers.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

In the case of bulls, during the period when the show is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.
