# 17th BORDERWAY AGRI EXPO

As we gear up for this year's Borderway Agri Expo I can't help but take a step back and pause for moment in awe of what our exceptional farmers do every single day of the year. In rain and sunshine, they produce world class animals year after year and Borderway Agri Expo is the perfect vessel to showcase this. It brings together the farming community to meet and compete and reaffirm that what they do is remarkable.

Following possibly one of the duller summers for several years you would be forgiven for thinking those of the agricultural and rural community have lost enthusiasm for their profession but alas the eternal optimist they are, they have fought on and realised a fantastic trade over the last few months and should be congratulated for their efforts despite the conditions.

In a world where there is constantly mounting pressure on farmers to remain sustainable, carbon neutral, socially active and still make time for their families, Borderway Agri Expo offers an outlet for likeminded folk to come together, celebrate their achievements and successes, share their experience and concerns, and discover how the latest products and services can help them do an even better job in the future.

2024 sees all 4 nations of the UK represented in the form of our judges- Craig Robertson, Scotland, William Smith, Ireland, Brian Davies, Wales & homegrown lad Steven Wilson, Cumbria England will be tapping out the winners at this years show and we are delighted to welcome such a wealth of knowledge and expertise to Borderway to deliberate over the outstanding display of livestock that treads the famous show ring of dreams!

As with previous years, there is a packed schedule with the hotly contested commercial cattle and sheep classes, the coveted pedigree championships, and opportunities for the next generation of livestock farmers and breeders to show their skills and dedication. With an extensive tradeshow of over 120 stands showcasing the latest in innovation and new technology, there is something for everyone.

Now fully instilled in the show H&H Land & Estates will once again be hosting two thought provoking seminars on the topically subjects of; The Future of Farming & Food Production - Environment, Sustainability & Emerging Technologies and Succession Planning & Intergenerational Farming. Please do make time to pop in and listen to these!

Finally, it is essential we thank all of our sponsors who without the show would not be possible, none more so than our mainline sponsors – Carrs Billington, Norbrook Laboratories, Go Low Carbon & Harrison & Hetherington.

Borderway Agri Expo was set up 16 years ago with one objective – to celebrate Great British livestock, and the farmers and families who breed, produce and show their wonderful world class sheep and cattle. That is exactly what we intend to do on Friday 1st November here at Borderway, please enjoy your day and celebrate the wonderful industry you all make up – you deserve it!

## MAIN COMMERCIAL CATTLE CLASSES

### WILLIAM SMITH

William Smith from County Meath in Ireland is a full-time farmer, he runs his 200-acre farm, primarily composed of pasture. The farm, known for its exceptional pedigree Limousin cattle under the Millbrook prefix, is home to 65 sucklers, 40 pedigree Limousins, and some sheep.

William is no stranger to Borderway Mart, having been a regular attendee at the Limousin shows and sales held there, and having officiated at the Limousin sales in 2007 held at Borderway, with 340 bulls catalogued and judged that day.

Millbrook cattle of note include Millbrook Ginger Spice, a three-time champion at Balmoral Show and three-time interbreed champion. She was also the mother of Will Lodge Posh Spice who set a world record sale price at Borderway in 2021.

In addition to his pedigree Limousins, William's farm also features Limousin cross sucklers, utilising Charolais and Belgium Blue genetics.

William's judging credentials are extensive. He has judged at the French National Limousin Show, the Royal Welsh Limousin Show, and various interbreed and commercial competitions across Ireland, as well as the interbreeds at Balmoral.

Expressing his honour at being chosen to judge at Agri Expo 2024, William says, "I am very humbled to be asked to judge at Agri Expo. It is a huge honour and I look forward to the challenge. I have been to Agri Expo on numerous occasions, and the quality of the stock is second to none in the British Isles. When judging I will be looking for cattle that are not only well finished, but also exhibit the style, character, and lines that make an exceptional show beast."

## MULE GIMMER CLASSES

### BRIAN DAVIES

Brian Davies is a noted breeder, renowned for his work with sheep, mules, and particularly Bluefaced Leicesters.

Brian has dedicated his career to breeding pedigree sheep, focusing primarily on Bluefaced Leicesters and Dutch Spotted sheep, along with Welsh Mules. His journey into breeding began in the early 1980s, during which he ran an operation that produced around 250 mules and Bluefaced Leicesters annually.

Since 1990, Brian has been a regular presence in Cumbria and Carlisle, where he sold his first sheep. His stock, including Dutch Spotted and Bluefaced Leicesters, has consistently excelled, with his mules achieving top prices at notable sales in Builth Wells and Welshpool.

Brian's judging experience is extensive, having judged sheep across Wales, at the prestigious Great Yorkshire Show and Balmoral Show. As Brian puts it, "A mule is a mule and a good sheep is a good sheep!"

On being asked to judge at Agri Expo Brian says, "It is an honour to help out and judge. I have heard all about Agri Expo, but now looking forward to finally attending."

At Agri Expo Brian will be looking for exceptional size, shape, and the distinctive colour markings that define top-quality mules, "I'll be looking for size, shape, and of course colour comes into it, always breed for colour markings and a good edge.

"I am looking forward to what I know will be a tremendous line up of stock.

## COMMERCIAL SHEEP CLASSES

### STEVEN WILSON

Steven Wilson, an experienced livestock professional and butcher, is set to judge the commercial sheep classes at Borderway Agri Expo 2024.

Born on a family farm in Aspatria, Steven has dedicated his life to working with livestock. He and his family today manage a smallholding near Wigton, where they have been breeding pedigree Limousin cattle under the “Impulsive” prefix for the

past decade, and manage summer grass lets. Although Steven no longer keeps sheep, he previously raised Dutch Texels.

When in his twenties, Steven established Steven Wilson Butchers, and now has two shops, one in Corby Hill and another in Brampton. Alongside his wife Gina and their children—Danielle, Natasha, and Scott—Steven runs the business with a focus on quality and local sourcing. His philosophy is to buy sheep wholesale from local suppliers whenever possible, ensuring that his customers receive high-quality, locally-sourced meat.

He knows that local sourcing not only supports the community but also meets the high standards his customers have come to expect, “my customers know, if they come into my butchers, they are going to get quality first and foremost, if they buy a lamb chop, they know that they are getting meat on the bone, that is what I look for when buying.”

Steven is no stranger to livestock judging, having judged at events like the Wigton Show and the Cockermouth Christmas shows, however Borderway Agri Expo represents a step up in terms scale and size of show.

Steven expressed both surprise and pleasure at being selected and plans to focus on selecting robust lambs that exhibit both weight and length. “I will be looking for a good strong lamb, with a bit of weight and length. There will be a good line up of sheep without a doubt, and I will of course be looking for outstanding matching pairs.”

## BEEF SHORTHORN CLASSES

### KENNY MAIR

Kenny Mair along with his family at Kinnermit, Turriff established Muireisk Shorthorns in October 2016 with a cow and calf purchased from Skipton after previously milking 360 Pedigree Holstein Cows.

Next spring there will be 100 Pedigree Stabilisers and 40 Pedigree Beef Shorthorns to calve alongside lambing 600 commercial ewes.

“We decided to get into Beef Shorthorns after selling the dairy cattle and the breed ticked boxes in terms of what we think a good suckler cow should be. We’ve been lucky enough to have some great success so far

with the herd including topping at 14,000gns for Muireisk Northern Dancer and Muireisk Turra winning Reserve Male Champion at RHS 2024.

“I’m really looking forward to judging at this year’s Agri Expo – calves are always an exciting animal to judge as they are the next generation of bulls and heifers to influence our national herd.”

## SIMMENTAL CLASSES

### PAUL MCDONALD

Situated in Tempo Co. Fermanagh. The Coolcran Herd was founded in 2006 by Paul McDonald and his brother Shane. Since this time, they have scooped many awards and achieved much acclaim.

Paul is no stranger to Borderway, and in December last year Coolcran Heidis Noreen was Overall Champion at the Next Generation III Simmental Sale, selling for a NI

record female price of 26,000gns.

Further achievements include Coolcran Maximus being NI Male of the Year, selling in Stirling to Pitmudie Herd in 2022; and this year the brother's Coolcran Pharaoh was NI Male of the Year.

Paul knows that Borderway Agri Expo is a fantastic livestock event, despite never having had the chance to attend himself before.

"I am really looking forward to the event and would like to thank the North West Simmental Breeders club for asking me to judge. It is always such a challenging task to judge, what I will be looking for is an animal with style, that walks well with a nice bit of power and breed character."

## HEREFORD CLASSES

### GARY MCKIERNAN

Synonymous with breeding cattle, Gary McKiernan farms the Corlismore Herd in partnership with his father Sean and wife Evelyn. The prefix was established by Gary's Grandfather, John Philip, in 1939 and today the herd numbers 60 pedigree cows.

Gary has been farming all his life on the banks of the River Erne in Corlismore, Ballinagh, Co Cavan.

During the years the McKiernan's have bred numerous national champions and top priced cattle, and at the 2015 National Hereford Calf Show in Tullamore they

took both the male and female champions.

Although he has never been to Borderway Agri expo before, Gary says: "Many thanks for inviting me to judge the Herefords and I am really looking forward to the event."

In judging the Hereford classes Gary will be looking for correct, easy fleshing, stylish cattle.

## BRITISH BLUE CLASSES

### JEAN MACKAY PARKER

Jean Mackay Parker, from Auchenairney, Kirkmichael, Ayrshire, is well-known in the cattle industry and no stranger to Borderway Mart, where she made headlines last year by setting a new British Blue heifer record. She sold Harelaw Star for 23,000gns to Blair Duffton at the January society sale in Carlisle.

Jean currently works as cattle buyer for Dunbia Highland Meats and has done for 11 years. Alongside her full-time role, she and her husband, David Parker, run a dairy farm with 200 pedigree Jerseys and a herd of commercial beef cows, with the aim of breeding show calves.

Passionate about breeding pedigree British Blues, Jean owns the Harelaw herd, now based at Auchenairney. She has shown cattle at Borderway Agri Expo, earning accolades such as Lightweight Champion in the Commercial Champion class and Reserve Heifer Champion with Harelaw Star. As an experienced judge, including at the prestigious Royal Ulster Beef and Lamb show, she emphasises what she will be looking for in judging the British Blue Calf Show:

“In being invited to judge and considering what I will be looking for,” Jean said, “Borderway Agri Expo is an important show as you are working with the cream of the crop and being given an insight into the future, as to what is going to be at the sales going forward!

In judging, I will be looking for something that carries itself well with a lot of style, character and most importantly correctness.

## ABERDEEN ANGUS CLASSES

### TOM BEADLE

Tom Beadle has dedicated the last 16 years as the Stock Manager of the renowned Rosemead herd, located on the West Surrey-West Sussex border. Rosemead, one of the largest Aberdeen Angus herds in the UK, boasts around 150 breeding cows. Established in 1936, the herd is owned by the Stovold family, who have farmed their home farm and its neighbouring land since the 18th and 16th centuries, respectively.

The Rosemead herd is a symbol of legacy, carrying on 25 distinct female lines within its breeding program. Tom’s passion for pedigree cattle is further reflected in his own herd, The Noir Herd, which he integrates into Rosemead’s operations.

In the show ring, Tom has won the prestigious National Aberdeen Angus Championship twice, including a notable victory with Rosemead Karona at the Westmorland Show, and another triumph at the World Forum with Rosemead King Sampson, a bull sired by Gretna House Samson. His dedication to preserving breed standards is well-respected, and his opinion is sought after in judging circles across the UK.

Although Tom has visited Borderway Mart, this is his first visit to Borderway Agri Expo. On being invited to judge, Tom said: “I am excited to be part of this year’s Winter National Show for Aberdeen Angus, and it is a great honour to be asked to judge at such an important event for the breed.”

On what he will be looking for: “Size isn’t everything for me. It’s about catching the eye with the right overall look and making sure the breed’s true traits come through—good heads, strong legs, and the right character.”

# THE DAVID THOMLINSON LIFETIME ACHIEVEMENT AWARD

This prestigious award was launched by Harrison & Hetherington in 2021 to recognise commitment, success, and accomplishment within the livestock farming industry, following David Thomlinson’s sad and untimely death as a consequence of a tragic accident on his farm. The Lifetime Achievement Award that carries his name commemorates David’s life by recognising a kindred spirit – a passionate livestock farmer and an exemplary role model within the industry.

A leading light in the livestock farming world of the North and Scotland, Northumberland farmer George Neill was announced as 2023 recipient of the David Thomlinson Lifetime Achievement Award.

On receiving his award, George Neill said: “Over the years I had many discussions with David Thomlinson, and I thought the world of him. I am really honoured to be recognised and to receive the David Thomlinson Lifetime Achievement Award, and I never thought I was worthy enough to receive something of this calibre.”

The award is presented annually to a person who exemplifies the all-around ability, sportsmanship and dedication of generosity and willingness to help others and is respected by his fellow colleagues within the agricultural industry and is open to anyone to nominate a fitting person to Harrison and Hetherington for consideration.

# POWER GAINS

WITH **OVITHRIVE™**

## ACHIEVE POWERFUL GAIN RESULTS WITH OUR THREE-STAGE PLAN FOR EWE DRENCHING

A complementary dietetic feed specifically formulated to support and maintain ewe's natural body condition. This fully complemented drench provides every ewe with key micronutrients to help support optimum performance during their life cycle.

**STAGE 1**  
PRE-TUPPING

**STAGE 2**  
MID-PREGNANCY

**STAGE 3**  
PRE-LAMBING

Our trials concluded that ewes benefited from being supplemented with Ovithrive at 3 crucial times during the pregnancy cycle:

**+0.29**  
BCS PRE-TUPPING TO LAMBING

**+1KG**  
ON WEIGHT OF SINGLES BORN FROM EWES

**+1.2KG**  
ON TOTAL WEIGHT OF LAMBS PER EWE

# TREAT YOUR HERD TO THE BEST

- Easy calving
- Superior calf survival
- Saleable calves

North of England Hereford Breeders Association and Scottish Hereford Breeders Association would like to thank the following sponsors of today's Hereford Calf Show

**HOLLYVALE HEREFORDS**

**HEALTH AND SAFETY RULES  
HARRISON & HETHERINGTON LIMITED  
NOTICE TO ALL VISITORS  
PLEASE READ AND OBSERVE THE FOLLOWING**

All visitors and traders on site will be responsible for ensuring that they and their employees or sub-contractors engaged by them comply with all legal requirements, including the Health and Safety At Work etc., Act 1974, The Management of Health and Safety At Work Regulations, The Provision And Use of Work Equipment Regulations, etc.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

Passageways must be kept clear at all times during the show. PLEASE DO NOT STAND IN THE SHOW RING ENTRANCE AND EXIT PASSAGES.

Man escapes and refuges must be kept clear at all times.

All portable electrical equipment supplied and/or used by visitors and traders must be safe and fit for the purpose and should have a valid portable appliance test certificate.
